**YIZKOR (MEMORIAL SERVICES)**

The Yizkor memorial ceremony teaches that we, the living, keep the memory of our loved ones alive through faith and **performing** acts of *chesed*, kindness, in their name.

The giving of *tzedakah*, donations to the synagogue are a personal, material demonstration of kindness. It is through such offerings that we honor our loved ones and **aid others in need of material support.**

Let us each respond firmly and fully to the needs of our community through the gift of *tzedakah*. Using the envelope you have received today, please plan to give generously, thereby fulfilling the important *mitzvah* of remembrance.

## *'We Remember Them'*

Sylvan Kamens and Rabbi Jack Riemer

At the rising sun and at its going down; We remember them.

At the blowing of the wind and in the chill of winter; We remember them.

At the opening of the buds and in the rebirth of spring; We remember them.

At the blueness of the skies and in the warmth of summer; We remember them.

At the rustling of the leaves and in the beauty of the autumn; We remember them.

At the beginning of the year and when it ends; We remember them.

As long as we live, they too will live, for they are now a part of us **as we** remember them.

When we are weary and in need of strength; We remember them.

When we are lost and sick at heart; We remember them.

When we have decisions that are difficult to make; We remember them.

When we have joy we crave to share; We remember them.

When we have achievements that are based on theirs; We remember them.

For as long as we live, they too will live, for they are now a part of us as, **we remember them.**

May you and your loved ones be inscribed and sealed in the Book of Life for health and peace.
